IMMEDIATELY FOLLOWING THE BULL SALE**

From all of us at Brylor Ranch...

**WELCOME TO OUR 48TH ANNUAL  
BRYLOR RANCH RED ANGUS FALL BULL SALE!**

Sherry and I are extremely proud of our sale bull offering this year. We strongly believe (and I know everyone says it every year!) that this is as spectacular a group of coming 2's as we've ever produced!! They are incredible to be precise!

They have it all ... the power, the performance, the muscle, the mass, the calving ease and the eye appeal! And maybe the most important factor is that our bull sale customers early approval and acceptance of all who have toured this group thus far. They have walked away from this group of bulls dreaming of the one they can take home on December 7th, 2018!

New for 2018's version of our Fall Bull Sale is the addition of the Little Royal once again. Due to the fact of our customers' demands for us to implement it once again into our bull sale activities, in 2018 we will have both a Bred Heifer competition and classes for Heifer Calves as well. Come and join us at 11:00 a.m. to watch this amazing competition. The Champions will start the Bull Sale at 1:00 p.m. and then the balance of the "No Surprises Sale" will take place as usual after the bulls.

Please note - there will be *NO INTERNET BIDDING FOR 2018*. We sincerely hope that you will be able to join us Sale Day but if you cannot and wish to participate please call any of the sale staff listed on page 1 and they will be happy to work with you.

Also please come and join us for Brylor style hospitality after the Bull Sale at Fort Macleod Auction. Looking forward to seeing you all there!

Yours faithfully in the Red Angus Business,

Bryan & Sherry Mackenzie

### TERMS & CONDITIONS OF BULL SALE

**TERMS** - The terms of the sale are cash or cheque payable at par at Fort Macleod, Alta. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

**RETAINED INTERESTS** - Brylor Ranch is retaining the right to possibly use a **few** of the bulls in this 2018 sale. Instead of retaining a 1/3 semen interest in selected lots, we will instead reserve the right to collect 100 straws of semen on **any bull in the catalogue** at our expense and the buyer's convenience. Buyer otherwise owns the bull, except in the case of bulls denoted as 1/2 interest lots.

**BIDS** - Every animal entering the sale ring will be sold to the highest bidder. A floor price will apply to each animal consigned.

**DISPUTES** - In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the last bid was accepted by the auctioneer whose decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as the auctioneer declares the animal sold.

**ANNOUNCEMENTS** - Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

*First ever offering of sons from our very dominant and impressive senior herd sire that we call "Navigator" who has seen huge service groups in his last three years of use at Brylor. He's very dark red in color, has lots of shape to him and throws equally impressive heifers as do his sons. His first ten heifer calves to sell averaged \$6009 last fall in our female sale. We can't wait to see his daughters in production this winter!!*

*This bull was my choice of over 160 bulls at the very good bull pen of Westphals' in Montana. His sire, Navigator 010, is an awesome herd sire. The single most spectacular thing, though, about 554 that we like best is his fabulous feet that he possesses!*

**- Selling 13 Sons -**

**SHIPPING** - Assistance will be given in making shipment after the sale, but no risk is assumed by the Fort Macleod Auction Market Ltd., or the seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement. Any additional expenses are the responsibility of the buyer, including duty, brokerage fees, etc.

**BREEDER'S GUARANTEE** - Brylor Ranch has done everything possible to assure you, the buyer, that every bull in this sale will be a breeder. All the bulls in the sale have been semen tested. Every bull has been physically evaluated by Dr. Bruce Kostelansky, Pincher Creek, AB. However, should a problem arise, please inform the seller so further arrangements may be made without delay.

- Brylor Ranch is in no way responsible for more than the initial purchase price of any bull selling in this sale today.

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer nor any owner assumes any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

**LIABILITY** - Fort Macleod Auction Market Ltd. are acting as agents only and assume no responsibility for representations made by the seller. Purchasers must look to the seller for fulfillment of all guarantees and representations made hereunder.

**INFORMATION SUPPLIED** in this catalogue is accurate to the best of our knowledge and in no way, shape, or form has it been unethically altered or enhanced to serve a purpose!

*Best Man, an outcross Calving Ease A.I. sire, is a most influential bull from our friends in Minnesota, the Nelsons. Best Man puts a lot of dark red color and excellent hair in his progeny. He was used mainly on heifers and you will be impressed with the growth and muscle in this group. Don't be surprised when a pair of his sons lead off this sale this year!*

*His first daughters sold to JAS Red Angus in Manitoba at \$6500 last fall. Matt Criddle and Bailey Wouters also selected a very good yearling daughter this fall from us privately.*

Once again from just a two year old heifer on her first try at motherhood. I am glad our sale is in December now as by March this guy won't be able to fit down the handling system at Stauffer Ranches where our sale bulls are currently available for your viewing pleasure!

*A "Sleep All Night" kind of Heifer Bull here by Best Man... note that 69 lb. Birth Weight!!*

*You will, I am sure, notice one very large change or "omission" in our bull sale catalogue for this set of coming 2 year old Red Angus bulls. We have NOT printed the sale bulls' EPD's! The decision made by the Canadian Angus Association to change to the new "Angus One" program for the Red Angus EPD's is one that we, here at Brylor, cannot support or pretend to condone let alone believe in those figures.*

*Contrary to some beliefs, all Angus are not Angus. We raise Red Angus and we therefore don't support comparing the data for Reds with the Blacks. By the way, most of our fellow Red Angus breeders this fall are not printing them either.*

*However if the day would ever come that Red hides ever qualified for the Certified Angus Beef program... well, that's another discussion!!*

The dam, 211T, is an ET daughter of Mulberry and Stallion's dam, 13G. She raised a son for \$16,000 to Mexico a few years back and a bull called Big Wind 48W that sold to Alta Genetics.

This year 211T had our best May born son called Old Dominion 52F. He's an outstanding son of Next Step 554!!
