From all of us at Brylor Ranch...

**WELCOME TO OUR 43RD ANNUAL
BRYLOR RANCH RED ANGUS BULL SALE!!**

"Many things in life may catch your eye, but few things capture your heart" ... pursue those! Family, friends and cows – those are the things that we are passionate about at Brylor Ranch! And after the winter we are having, it's a damn good thing I like my herd right now!

As you flip through this bull sale catalogue you will soon notice we are taking some different roads or avenues in our program. I do firmly believe, though, the changes we are making are for the betterment of our outfit and for you, our customers. We are forever trying to improve on how we manage our cows and sale bulls and always striving to better ourselves as people. Some days both tasks are equally challenging!!

Right now, however, it is pretty easy to like being in the cow business. Kill cows and bulls are at an amazingly good dollar and feeders and fats are almost to the point where folks can actually make a buck! Talk this fall has got everyone trying just a little harder to spend that extra moment or two tending to every last single calf to do everything possible to get him to market in October.

Stay diligent, though, folks with the culling practices in your herds. I know we have here at Brylor. We bought the Get-A-Long herd a year ago not to increase the number of sale bulls we have to offer but to jump up the quality factor a notch or two! I have noticed many of my fellow purebred cattle producers and bull suppliers have increased their numbers of sale bulls over the last couple of years which doesn't make much sense to me as our national cowherd has deteriorated down to half of what it was.

I'll leave you with this one last thought... "Even if you are on the right path but just standing still, you will get run over!"

We hope to see you on March 26th at 3:00 p.m. at Fort Macleod Auction to watch some of the finest commercial Red Angus heifers being shown and then at 4:00 p.m. for the sale of them. We will have great homemade burgers and sausages on the grill later that night, too. As well, after our 43rd Bull Sale on Thursday, March 27, we will be once again grilling the utmost quality ribeyes by our friend and master BBQ'er, Stacey Stauffer. Come and join us – we would love to show you our bulls and host you with refreshments after the sale!

See you in Macleod!!

One of the best things I've done in the past was to NOT sell this bull! Skor was the bull you'll remember as the one I had to have three different parties start him at 10K or better! We had two willing to go...

He has developed into a big time herd bull as this set of sons will show and is our most heavily used sire since Mulberry.

Our high seller two years ago at \$37,500 to Bob & Lance Marcer in BC. His first two sons, as bull calves last fall, sold for \$15,000 and \$57,500. His first four daughters to sell went for \$7000, \$6750, \$6100 and \$4000.

Besides being an exciting outcross black/red carrier bull bred by Kodiak 5R, his feet have remained as good as the day he was born. His dam, 70M, has a lot to do with that.

Buy his sons for their calving ease and superior maternal qualities, too!

One of the best Rough Rider sons of all time! Remember with that being said... Jeff Frazer owns one at \$14,500 and Phil Birnie one at \$15,000.

His dam is in my "Top Two" cows from the Get-A-Long herd and had a set of twin Iceman heifers in "Tradition With A Vision" 2012 at \$9750 to Leeuwenburghs and \$4100 to Cutbank.

I debated long and hard with "the guy in the mirror" about keeping this calf! His dam is my favorite Get-A-Long cow - she is fabulous!

136A, himself, is big on performance and muscle and has a huge set of nuts - I believe he's just as good, if not better, than his sire was at this stage!

Brylor welcomes KODY KROPIUS as one of our "Affiliate Herds". Kody is a very hard working young rancher and has quite the start in the Red Angus world. He has purchased about 20 cows now and will be working closely with us in the future.

Kody's bulls - Lots #63 - Lot #67 - selling in this sale today will sell just as if they were ours. The same guarantee of customer satisfaction that applies to the Brylor Ranch bulls also applies to the bulls with KRO prefix in their name.

This E.T. son of Waves and our "Show Cow of the Year" in 2009 typifies the statement, "Specifically Held Over"! He was darn sure good enough to sell last year but I wanted to hold some really good bulls for two's in 2014. Raised by a Little Royal heifer, this bull will work on your heifer pen and then become one of the good herd bulls in the future.

You will want to keep every heifer you raise from this bull as he has four of our best cows ever in his pedigree – 204S, 70M, 22L and 19U!!

*In Memory of
 John Keeley and Mike Hofer*

It's with great sadness that we remember two very special people that we lost in 2013. Our Bull Sale won't be the same without these two guys here with us.

Mike Hofer from East Cardston built a program 2nd to none. There wasn't maybe a guy in the entire cow business who had as much passion for his cowherd as Mike did and it shows.

The other is **John Keeley from the L4L Ranch**. John and his wife, Donna, were always in the front row at Fort Macleod and were our volume buyers for the past several years (10+). John loved the land, his cows, golfing and skiing with Donna and, above all else, he loved his family! I don't know what I did right but John seemed to like me and my bulls... I suppose I reminded him of one of his sons named Justin!

Results of the 8th Annual Brylor Ranch Red Angus Influenced Pen of 5 Commercial Heifers

Wednesday • March 27, 2013 • As Judged by Kurt Schwarz - LaCygne, Kansas

Judge Kurt Schwarz

Grand Champion Pen Of 5 - Spring Point Colony - Fort Macleod, AB

Reserve Pen Of 5 - Zoratti Ranch - Pincher Creek, AB

MEET THE JUDGE FOR 2014 ...

Dave Longshore - Bar-E-L Angus, Stettler, AB

The first time I met Dave Longshore it was in 1994 at the Red Round-up Bull Futurity. I had a showstick in one hand and the Grand Champion Bull of the Bull Futurity, Red Brylor Stryker 52D, in the other. Dave had on a tie and had a mic in one hand talking about my calf as the judge that day – we were off to a pretty good start!

Over the years I watched him and his growing operation at Bar-E-L near Stettler, Alberta, with his wife, Lynn, and their three kids. They had Polled Herefords and were starting their Black & Red Angus herds.

Dave has judged many shows over the last several years including both Black and Red Angus shows at Agribition and Black Angus at Farmfair back when it was a huge event in the 90's.

Dave has also been on the end of several winning halters such as back to back to back Grand Champion Bull titles at Agribition the last three years in a row in the Blacks and Grand Champion Red Angus Female this past Agribition with a heifer that Bar-E-L bred and raised.

Dave and his family have a lot of passion for the cow business and a lot of pride in their very impressive Bar-E-L cowherd!

It will be a very special Little Royal in 2014 as Dave will sort through the pens as a true cattleman!

2014	TO BE ANNOUNCED - Little Royal - Wednesday, March 26, 2014 - Fort Macleod Auction Yard (Southern AB Livestock Exchange)				

THANK YOU!

Many thanks to some of the people who have helped us over the years to make our Bull Sale Day a reality!

- * Stauffer Ranches for feeding and caring for our bulls and replacement heifers and being an excellent 4-H Steer project leader!
- Dave Callaway of the "Angus World" magazine. I don't give a damn what the Canadian Angus Association says, print advertising is NOT obsolete!
- Cheryl Friesen - our lady in the office on Tuesday afternoons doing paperwork and accounting.

- Terry White and his staff at Alta Genetics for the excellent care on our bulls.
- Roger Davis and his staff at DRI for the very professional service on our E.T. Program.

And last but certainly not least in any way... Grant and Laura Lee Rolston. Your amazing dedication to helping this industry does not go unnoticed by everyone, Grant! So very sorry about the passing of your mom this winter.

Thank You to All from us here at Brylor Ranch!

My name is **Tieggan Rouleau**. I was born in One Four, a small research ranch just south of Many Berries and for as long as I can remember my dad has always been part of the agricultural world. All my life I have lived and breathed the country lifestyle including its morals and values which I have felt to be very important in becoming who I am today.

As a little girl I was always the first to help dad in and around the barn and especially with the horses. My true passion has always been with horses and every day I am so thankful that I have been privileged enough to grow up with and own my horse on an acreage outside of Fort Macleod. They have taught me so much about responsibility and also about myself.

I try and be involved in as many agriculture events as I can attend. My dad's customer appreciation days have always been a fun event that I loved to attend. The whole atmosphere of the agriculture world has always felt like home to me, and I am pursuing my dream to keep this agriculture atmosphere in my life, by attending the Lethbridge College for Marketing in order to hopefully work for Altech – an agriculture/ feed company. This would allow me to put my talents to work but also keep me in the world I love.

I am currently in Altech's Ambassador Program which allows me to get an inside sneak peek at an everyday work day in the office and at major events like the Alberta Beef Seminar in February. I can't wait to finish school and get my life started and start down my career path that I am so excited to begin.

Team roping is the one thing I am so passionate about right now. The people that you are able to interact with in a team roping setting is the most amazing experience, they are all kind and friendly people that have the right moral and values that you can respect. The people are as much as part of the experience as the horses, steers and roping.

Pictured here is a moment that does not happen every day!
Bryce Conley, age 14, purchased his very first heifers from the 2013 Little Royal Pen Show. He – along with his two grandpas, David Willms and Terry Conley – purchased the Champion Pen from Springpoint Colony.

Way to go, Bryce!
You've got a great start to your herd!

– DELIVERY POLICY FOR 2014 –

- Our new delivery policy implemented in 2013 to get back to more of a commercial cowman's way of doing things **will apply to our 2014 Bull Sale as well.** For years now I've stated that 99.9% of the commercial cowboys know it takes three things to go to the bull sale -
1) your catalogue, 2) your checkbook, and 3) your trailer!!

We would greatly appreciate it if you could bring your own trailer but if you absolutely cannot bring it or you are a "SUS" buyer (Sight Unseen) or going on export down south, then we will help out in any way we can; otherwise...

The settlement table look will be in this order:

Starting on the left - The sale clerks to take settlement and transfer instructions

In the middle - Brenda of Pincher Creek Agencies to insure your new purchases

On the right - Kody Kropius, our trucker buddy, to help you get your bulls home within a few days of the sale.

No bulls, other than the export bulls that require health testing, will be going back to Stauffer Ranches this year.

We know and trust that all of our commercial customers can understand this new policy because that is the way it happens every day at every auction market in the country after a sale.

Mark Your Calendars...
for the 43rd Annual
"Tradition With A Vision" Sale
Date & Location TBA

TERMS - The terms of the sale are cash or cheque payable at par at Fort Macleod, Alta. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

RETAINED INTERESTS - Brylor Ranch is initiating another new program for retaining the right to possibly use a **few** of the bulls in this 2012 sale. Instead of retaining a 1/3 semen interest in selected lots, we will instead reserve the right to collect 100 straws of semen on any bull in the catalogue at our expense and the buyer's convenience. Buyer otherwise owns the bull, except in the case of bulls denoted as 1/2 interest lots.

BIDS - Every animal entering the sale ring will be sold to the highest bidder. A floor price will apply to each animal consigned.

DISPUTES - In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as the auctioneer declares the animal sold.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

SHIPPING - Assistance will be given in making shipment after the sale, but no risk is assumed by the Fort Macleod Auction Market Ltd., or the seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement. Any additional expenses are the responsibility of the buyer, including duty, brokerage fees, etc.

CERTIFICATE OF REGISTRY - A certificate of registry duly transferred will be furnished to the buyer for each animal after settlement is made.

BREEDER'S GUARANTEE - Brylor Ranch has done everything possible to assure you, the buyer, that every bull in this sale will be a breeder. All the bulls in the sale have been semen tested and every bull has been physically evaluated by Dr. Blaine Pickard, Pincher Creek, AB. However, should a problem arise, please inform the seller so further arrangements may be made without delay.

- Brylor Ranch is in no way responsible for more than the initial purchase price of any bull selling in this sale today.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer nor any owner assumes any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

LIABILITY - Fort Macleod Auction Market Ltd. are acting as agents only and assume no responsibility for representations made by the seller. Purchasers must look to the seller for fulfillment of all guarantees and representations made hereunder.

INFORMATION SUPPLIED - in this catalogue is accurate to the best of our knowledge and in no way, shape, or form has it been unethically altered or enhanced to serve a purpose!
