Smash 41N will be off the market until 2010. Here's a strong candidate for the best breeding son of the best breeding son of Rambo 502. Smash's sire, Boomer, has left a path behind him not so easy to follow. His daughters are big, strong cows that can produce and his sons are very very marketable all over the world. Smash is giving it a whirl though. His first daughter sold in Red Round-up '05 to Linda Graham for \$10,000. His sons at Clint's sale have been tremendously strong too. Last year a Smash heifer calf from Sebastien & Sarah Stewart sold in Red Round-up at \$5300 to Rainbow Cattle Co.

Smash's dam was the IPE 2002 Grand Champion Female. She, herself, was a graduate of the '98 Red Round-up Sale.

Rob Roy, a very prominent sire in tomorrow's 35th Annual Canadian Red Round-up Sale, is in very very short supply in this country. He has cut a wide swath in Canada, not only in his own monster show career in 2002 but as a breeding bull too! He was the runaway bull at all three shows in the fall of 2002 - Lloydminster, Farmfair and Agribition Grand Champion Bulls. He then was the Denver Reserve Senior Champion and Fort Worth Senior Champion Bull at the U.S. National Show in January 2003. He sired a \$17,000 bred heifer at the Angus Pride Sale in '04 and the \$28,000 Karweik 1P bull to Red Rock in '05. Check out his three live progeny today including the heavy hitter bull calf in Lot #3 called "Thump"!

Very rare lot of semen on a very big time sire... gone before his time.

• Packages can be split once by a party of two

Finally... the moment has arrived in Canadian Red Round-up history to get this breed leader, this true Canadian born and bred champion, this sire extraordinaire in the pages as a lot! I have asked Dave and Jim countless times to give me a crack at this, but under their prior package commitments of so many years... they simply would not do it... until NOW!

Red Knight was the back to back Grand Champion bull at Farmfair and Agribition in 1997. He's had lots of sons and daughters win several times since then such as Mambo, Led and Mae 15M to name just a small few. His daughters have "udderly fantastic" shaped and attached udders on them. They are truly a sight to behold to see a group of them together. See Longshores' "Pick of the Herd" page in Lot #123 to see some examples of Red Knight females.

Don't procrastinate... don't hesitate... just stipulate how many of the three packages you want as the first buyer today of the last 60 straws has the right to sweep the ring on all three packages!

• *Buyer can double up and take both.*

What a rare treat to have such an old valuable genetic treasure in Red Round-up 2007! He was born in 1975 and was one of the first total outcross bulls from the blacks to be used. He was the back to back U.S. National Grand Champion bull in 1976 and 1977. He sold through a Denver Sale to Double Fork Ranch at \$35,000 as an aged bull.

**SELLING 2 STRAWS OF EACH OF THESE FAMOUS
OLD, RARE, DEAD AND LONG GONE RED ANGUS
"CORNERPOST" SIRES!**

They will sell as individually lotted consignments of two straws each. Brylor Semen Sales is going to donate a 3rd straw at the prorated price to the Red Round-up Semen Auction if the buyer wishes to have the 3rd.

Brylor Semen Sales would like the money donated to go directly to the World Angus Conference 2009 budget for further promotion of that event.
