

**A Few Words About the SEMEN AUCTION from Mackenzie Sales Management...**

Ohhhhhh Yeaaaaaah... the Red Round-up Semen Auction!! It has become as much a feature with the event on Friday night as the bred heifer carousels and the great "Heifer Sortin'" on Friday morning! The whole Red Round-up experience can be summed up with the Semen Auction... it's all about the extreme generosity of the Red Angus members all across Canada and the supportive businesses that are directly

involved with us. It always overwhelms me how these people come through year after year all for the betterment of your breed Promotion Society. All monies raised here tonight go to the promotion of Red Angus cattle all across Canada... promotion for members and non-members alike!

We are shakin' things up at the 2007 Red Round-up Semen Auction - we will still have some great old

and rare and very intriguing semen lots for sale. But due to the fact that this stuff is so rare and not so readily available anymore, we are going to offer some fun and exciting items. Along with the Promotion Society, I thank you for your support and we hope you like the exciting changes! - Mackenzie Sales Mgt.
