From all of us at Brylor Ranch...

WELCOME TO OUR 49TH ANNUAL

BRYLOR RANCH RED ANGUS FALL BULL SALE!

You know... it hit me pretty hard just now to realize something that we are really proud of – we've been doing this cow stuff a really, really long time!! I've always maintained that what it says on our cover is our guarantee, "49th Annual" says a lot because I'd like to believe to have a sale for that many years, you've gotta have one tremendous group of believers behind you in your commercial cowboys. And we do! Thank you to all who have shared our passion to raise these Red bulls over the years. Trust me, too, on this - next year will be a very special event at our *50th*! Isn't it a fact that we all live for "next year" - we breed our cows for "next year", you buy these bulls for the "next year"... I guess it's a great thing to be able to put a dot on the horizon to be able to put your finger on!

This set of bulls we have for you at our 49th sale are a magnificent group of coming 2's. They are rugged, ranch raised, seriously culled and are ready to work and help improve your bottom line.

The first set of Assassin sons are here along with the very first three bulls to sell in Canada from the Franchise sire.

After 49 years we take one word very seriously... ***Responsibility!!***
These bulls are ***Responsibly*** Bred...

Responsibly Fed...

and certainly ***Responsibly*** sold and guaranteed...

APPARENTLY 49 TIMES OVER NOW!!

Also please come and join us and our customers for the Little Royal at 11:30 a.m. on Sale Day and plan to attend the "No Surprises" Female Sale that immediately follows the Bull Sale at Fort Macleod Auction.

Looking forward to seeing you all there!

Yours faithfully in the Red Angus Business,

Bryan & Sherry Mackenzie

One of the most unique breeding pieces we have ever used at Blylor over the course of time, "Navigator" is an absolute gem for siring muscle and very attractively shaped progeny. He has recently been used at WRAZ in Saskatchewan as Phil & Lana acquired a semen package in him last fall when they first saw his calves, especially the daughters by Navigator!

With his first females milking now, we are even more impressed with this herd bull. Navigator's best asset, though, continues to be his feet... they are magnificent!

We are extremely excited and very proud to offer our great commercial customers the first sons of Assassin on December 6th in our Bull Sale. He has caused much commotion all over the planet and rightly so - his calves are simply outstanding, both the bulls and the heifers!

His calves are born very easily with extra length of body, heavy muscle, loads of hair and temperments that make them great to be around. We invested quite a little chunk of change to get him bought and so far can say it's been worth every penny!

"Brute" was purchased as one of the highlight bulls at the WRAZ Bull Sale a few years back for his different pedigree for us and his awesome dam, 502N, an Elite status cow in Canada at the Canadian Angus Association and still going strong at age 16.

These sons and daughters we have off of Brute have awesome hair and dispositions not to mention lots of capacity through their middle.

A former \$105,000 USD bull from Washington, cattlemen the world over recognize Franchise for his absolute calving ease scores and moderate frame size. He can also stamp his females in a very useful way - I like them a ton!

Franchise has a whopping set of U.S. Association numbers of -5.7 BW, +53 WW, +103 YW, +29 Milk with Marbling of .7 and RE of .78 and a total of 8 traits in the top 10% bracket of all Red Angus. We have used Franchise because of all this and will be using him more in the future!

The very first sons of Franchise 6305 to sell in Canada are right here today!!

Mariota is a former high seller of ours at \$55,000. His sire, Opportunity 53Y, was a \$55,000 USD bull at Denver a few years back. Mariota's dam was our beloved old Olivia 706P cow who is now gone. Mariota's full sister topped the 2018 Red Round-up at \$20,000.

You should see the Mariota daughters - WOW! There's only one Mariota son in this year's sale - he's the hulk in Lot #1!

Older genetics here through the \$30,000 Mulberry son called Huckleberry.

Note his dam, 427C, is a full sister to dam of Lot #29, 421F. Also a 1/2 sister to the dam of Herd Bull Candidate, 149F, in Lot #25!

Here's a first for all of Canada, Folks!

Here's the very first son to sell anywhere in this country by the fantastic bull from the U.S. called "FRANCHISE"!

This bull, 149F, offers a lot of really good genetics on both top and bottom of his paper! His dam is a first calver with outcross genetics. 49D is a natural daughter of Reba 49W, a cow who just sold for \$12,000 at 11 years old at Red Round-up for a 1/2 share! She has a phenomenal udder and great eye appeal and is darn sure a big enough cow to satisfy anyone!

****Note**** - just a November birth date here, Ranchers, but he's got lots of gas in his tank performance and phenotype wise!

Sired by a natural son of Red Kodiak 3A and our great donor cow, Reba 49W. Also Arson x Olivia 706P does not hurt either!

TERMS & CONDITIONS OF BULL SALE

TERMS - The terms of the sale are cash or cheque payable at par at Fort Macleod, Alta. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

RETAINED INTERESTS - Brylor Ranch is retaining the right to possibly use a few of the bulls in this 2019 sale. Instead of retaining a 1/3 semen interest in selected lots, we will instead reserve the right to collect 100 straws of semen on any bull in the catalogue at our expense and the buyer's convenience. Buyer otherwise owns the bull, except in the case of bulls denoted as 1/2 interest lots.

BIDS - Every animal entering the sale ring will be sold to the highest bidder. A floor price will apply to each animal consigned.

DISPUTES - In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the last bid, was accepted by the auctioneer whose decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as the auctioneer declares the animal sold.

ANNOUNCEMENTS - Errors discovered in the catalogue will be corrected by announcements from the Auction Stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

SHIPPING - Assistance will be given in making shipment after the sale, but no risk is assumed by the Fort Macleod Auction Market Ltd., or the seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement. Any additional expenses are the responsibility of the buyer, including duty, brokerage fees, etc.

BREEDER'S GUARANTEE - Brylor Ranch has done everything possible to assure you, the buyer, that every bull in this sale will be a breeder. All the bulls in the sale have been semen tested. Every bull has been physically evaluated by Dr. Bruce Kostelansky, Pincher Creek, AB. However, should a problem arise, please inform the seller so further arrangements may be made without delay.

Brylor Ranch is in no way responsible for more than the initial purchase price of any bull selling in this sale today.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer nor any owner assumes any responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accident or loss of property.

LIABILITY - Fort Macleod Auction Market Ltd. are acting as agents only and assume no responsibility for representations made by the seller. Purchasers must look to the seller for fulfillment of all guarantees and representations made hereunder.

INFORMATION SUPPLIED in this catalogue is accurate to the best of our knowledge and in no way, shape, or form has it been unethically altered or enhanced to serve a purpose!
